IZOBRAŽEVANJ V
BOLNICI ZA ŽIVALI
POSTOJNA**

Vabimo vas na predavanje

Dr. Penelope Baloi,
DVM, Dipl ECVDI

v sredo, 11.10.2017 ob 18.30 uri

**ADVANCED DIAGNOSTIC
IMAGING
IN HANDS OF A
PRACTICING VET**

Dr Penelope Baloi

DVM, Dipl ECVDI

Dr. Baloi graduated in 2000 at the Ludwigs-Maximilian University Munich, Germany where she also obtained a doctoral thesis entitled Echocardiography early diagnosis of dilative cardiomyopathy in Doberman Pinchers. She worked in two private hospitals for 5 years when she took a job in the industry as application Specialist for GE ultrasound machines in veterinary medicine. In 2010 she started her residency in diagnostic Imaging at the Vetsuisse Faculty in Zuerich, Switzerland. In 2014 she was working at the Animal Health Trust in Newmarket, UK. Since 2015 she has been working part time in a private hospital and part time as Teleradiologist for VetCT, UK.

Program

18:30 – 19:30 (dr. P. Baloi, Dipl ECVDI)

Indications when CT helps to improve diagnosis and therapy planning.

19:30 – 20:00 (dr. P. Baloi, Dipl ECVDI)

Is CT sufficient or do we always need MRI in neurologic patient?

20:00 - 20:15 Break

20:15 - 20:45 (T. Pilla, DVM, PhD)

Peripheral neurological lesions: diagnostic value of pre and post contrast CT imaging.

20:45 – 21:00

Discussion and conclusion

Snacks and refreshments

Kotizacije ni.

Seminar bo točkovan.

Prijavite se lahko na info@ahp.si ali na

040 674 600 oz. 05 721 22 55.

Vljudno vabljeni!

Prof. dr. Janoš Butinar s sodelavci
